

Outlineoffungi.org - Note 137, *Diplodites*

Diplodites Teterevn.-Babajan & Tasl. ex Kalgutkar et al. (fossil)

Diplodites was introduced for spores similar to extant [Diplodia](#) (current name: *Botryosphaeria*) from Tertiary strata of Armenia. *Palaeodiplodites* is a later synonym of *Diplodites* (R.K. Saxena).
