

**Outlineoffungi.org - Note 224, [Ionopezia](#)**

[Ionopezia](#) Matočec et al.

Based on a multiple locus phylogeny and phenetic evidence, [Yuan et al. \(2020\)](#) described two new genera for species classified earlier as “*Peziza*” for which no name is available: [Ionopezia](#) for *Peziza gerardii* and [Hansenopezia](#) for *Peziza retrocurvata* (M. Erdoğan).
