

**Outlineoffungi.org - Note 307, [Neocryptosphaerella](#)**

[Neocryptosphaerella](#) S.K. Huang & K.D. Hyde

[Huang et al. \(2021a\)](#) showed that *Cryptosphaerella globosa* is not congeneric with *Cryptosphaerella sensu stricto*, thus they introduced [Neocryptosphaerella](#) (N. Wijayawardene).
